

60 DAYS BEFORE TRAVEL

- Remember to ask your **doctors, vet** (in case of pets) and **dentist** for copies of yours, your families and your pets' **medical records**. It would be a great idea to organise a final **check up** for you, your family and your pets.
- Check all **insurance** policies and organise your **visas** if you need to.
- Contact the **post office** to set up their mail **re-routing** service.
- Prepare a **power of attorney**. Make sure you have **certified copies** of all important documents ready to hand over to the person you will be leaving in charge of your affairs while you are away. Take the chance and have a **hard copy** of such **documents** already **apostilled** for yourself ready to travel with you.
- Make a **checklist** of all packing **boxes** and what will go **in each one**.
- Contact your **bank** and explain that you are moving abroad. If you already have your **new address**, give them this otherwise change the address to a friend or family member for the short-term or online mailing. If they are unable to offer a global account you will need to open a new one in Poland.
- Set up **internet banking** - as you will need to manage your money online while you are away. If your bank does not have internet banking facilities you should consider changing banks (you will find most banks now have internet
- Organise the **cancellation** of all **magazine** and **newspaper** subscriptions or regular **deliveries** you receive on the day you will be leaving.
